

# Faces of 2017

This year, I was fortunate to be able to uncover images of relatives whom, in some instances, I had never seen before. The highlights would be being provided with a photograph of my great-grandmother Minnie MacEachern French and finding a photo of my grandfather George French, during his service in World War 1, in a library collection in England!

Thank you to all that assisted in my searches in 2017, Happy New Year! My posts from 2017 are noted below.
